CAREER OBJECTIVE :

Full-stack developer with experience in React.js, Node.js, AWS, and responsive UI engineering. Strong problem-solving mindset with the ability to learn fast and adapt to different roles. Excited to work across development, testing, and support functions while growing as a well-rounded software engineer.

PROFESSIONAL EXPERIENCE:

Hornbill Technologies, HYDERABAD

– Senior Developer (React.js, Node.js, AWS) — Sep 2024 – Present

- Developed and enhanced features in a React.js + Node.js portal, improving system performance and user experience.
- Utilized AWS services such as Lambda, DynamoDB, S3, CloudWatch for backend workflows and automation. Built responsive UI components based on Figma designs and optimized UI interactions for faster load times. Integrated APIs, improved data processing logic, and contributed to full-stack feature delivery.
- Developed responsive web interfaces optimized for desktops, laptops, tablets, and mobile devices, ensuring consistent UI, usability, and performance across different screen sizes.
- Automated drone thermography solar inspection reporting using Python, improving processing speed significantly.
- Supported drone thermal data analysis and upgraded post-inspection workflows.

PROJECTS:

Web Development Portfolio:

Technologies: HTML, CSS, JavaScript, React.js

Portfolio: <https://anupreethi-2s.github.io/Anupreeti-Portfolio/>

- Designed and developed the entire portfolio independently.
- Built multiple responsive UI components, interactive pages, and smooth user navigation.

EDUCATION:

Bachelor of Technology in Electrical and Electronics Engineering

Kakatiya University College of Engineering and Technology, Warangal (2020–2024)

CGPA: 8.61/10

Intermediate(10+2), MPC

NRI Junior College, Hanamkonda (2018–2020)

Telangana State Board – 970/1000

Secondary School (10th Grade)

Shantiniketan High School, Peddapalli (2017–2018)

Board of Secondary Education, Telangana – GPA: 9.2

TECHNICAL SKILLS:

Programming & Frameworks:

- React.js, Node.js
- Python, JavaScript, TypeScript

AWS & Tools:

- AWS: Lambda, DynamoDB, S3, CloudWatch
- Git, GitHub, VS Code
- Jira, Confluence

UI/UX:

- Figma-based UI implementation
- Responsive design
- Component-driven development

SOFT SKILLS:

- Problem-solving & Critical Thinking
- Time Management
- Team Collaboration
- Adaptability
- Communication

LANGUAGES:

- English
- Hindi
- Telugu

HOBBIES:

- Dancing
- Listening Music
- Playing Puzzles
